Re: Sterling National Bank
vs: Computer Solvers, Inc. and Jerome N Greenberg and Terri G Noel
Dkt No. 07-cv-8709

Your Honor:

This Law Firm represents plaintiff, Sterling National Bank, in the above referenced matter. As previously indicated, Plaintiff will be filing a summary judgment motion as to Mr. Greenberg and default motion as to the other defendants shortly. By letter dated June 13, 2008, Plaintiff had requested that the trial date and pre-trial order dates be held in abeyance for a short time. However, I did not receive notice of the endorsed letter and was not aware of the June 18, 2008 deadline to file the motion until yesterday when I checked the docket for other purposes. To further complicate matters, while I was in the process of finalizing the motion last week, I noted a discrepancy in the damages calculations provided by our client, and made an inquiry to our client to review the discrepancy. This has resulted in a further delay in finalizing the motion.

Therefore, Plaintiff respectfully requests an additional short extension, to July 3, 2008 to file the Motion.

Respectfully submitted,
